

Funeral Music Selections for St. Adalbert's Church

Note from the Music Director:

If you are not interested in making music selections - the Music Director will be happy to select the music for the funeral. It is not necessary for the family to select music if so desired. It is also not necessary to choose all the songs if only 1 or 2 are specifically wanted for the funeral.

For those who wish to make music selections for a funeral liturgy:

Music used within the funeral liturgy should be sacred and liturgical in nature. The music also should speak of the hope we have in Christ's victory over death. Below are a list of songs that are acceptable choices for funerals celebrated at St. Adalbert Church.

Also, please note that if there are songs desired that are not on this list, they must first be approved by the Music Director. If the Music Director determines they do not meet the criteria the Church has set forth for music for a Mass, they will either be used in a Prelude (prior to the Mass) or not at all (if the music is unavailable).
